

## Appendix 4: Results

Here is how each partner organization should provide results to LUMSA for each section.

### Focus group with vulnerable adults at the end of the training as general feedback

A summary of the answers for each topic should be provided, together with the translation in English of any relevant statement transcribed by the discussion. Summary should be inserted in the following table.

FOCUS GROUP REPORT	
Country	
Date of the focus group	
Moderator and assistant	
Number of participants	
Demographic information on participants (gender, age, nationality)	
Topic 1 summary	
Topic 1 relevant excerpts from the interviews	
Topic 2 summary	
Topic 2 relevant excerpts from the interviews	
Topic 3 summary	
Topic 3 relevant excerpts from the interviews	

## Questionnaire to educators on the incidence of storytelling activities in promoting social inclusion

An **Excel file with results** should be provided.

A summary of the **open ended questions** answers should be provided in English using the following table.

Summary should concentrate on the **first two most reported answers** for each question.

QUESTIONNAIRE OPEN-ENDED ANSWERS SUMMARY	
Country	
Number of filled-in questionnaires (even partially)	
5b. most liked aspects	
5c. possible improvements	
6b. reasons for not being interested in DS	
6d. reasons for not using DS in work as educators	
6e. areas of training on DS	
7b. ways to promote social inclusion with DS	

## Consensus session on quality indicators for social inclusion practices

An **Excel file** with results should be provided.

A summary of the **discussion** should be provided in English using the following table.

CONSENSUS SESSION REPORT	
Country	
Date of the session	
Moderator and assistant	
Number of participants	
Demographic information on participants (gender, age)	
Initial distribution of % on Question 7 (Appendix 2)	1 (low impact) = 2 = 3 = 4 (high impact) =
Summary of the answers for: 1. Which are the reasons behind these results?	
Summary of the answers for: 2. Do this results represent well enough your personal opinion?	
Summary of the answers for: 3. Should you disagree, could you please explain us why?	
(approx) Follow-up distribution of % on Question 7	1 (low impact) = 2 = 3 = 4 (high impact) =
Summary of the answers for: 4. Now that you have heard the answers of other colleagues in the group, would you answer differently? And if yes, how?
